Reservations will be confirmed upon receipt by email - info@villailcolto.it - of the fully completed and signed Booking Form, the deposit or full payment of the rental charge and the details of a credit/debit card to be provided as security. Until that time no contract or agreement will be considered to exist between us. If significant changes need to be made in the Booking Form after the reservation has been confirmed, an amended set of forms must be completed and signed. As the credit card companies do not recognize a typed name as a signature, the simplest method is to print the Booking Form, complete and sign it manually, and fax it to us. Scanned signatures on forms sent via email are acceptable. By completing and signing the Booking Form, you and all members of your party acknowledge full awareness of the "Terms and Conditions of Booking" (see attachment) and agree to accept and abide by the terms stated.
