2. HOW TO BOOK

Bookings are made directly with IL COLTO S.R.L. Customers choose a period and ask the availability by mail. Once dates and availability have been confirmed, the property can be held for 3 days if time is required to book flights. Please contact us if required. Once a booking form has been received, the apartment will be held for 7 days awaiting receipt of deposit. On payment of the deposit, the booking will be confirmed. If the deposit is not received within the 7 day period we cannot guarantee that the dates will still be available as we will cancel provisional bookings if no confirmation has been received. Please keep us updated as to the type of payment being made, expected time of arrival and if there are any delays, to avoid disappointment. You will be advised of the balance and due date. On receipt of the balance payment, not less than 60 days before arrival, all details regarding directions, arrival and arrangements for the hand over of keys will be sent out. A voucher will also be included, which should be presented on arrival. If the balance payment is not received on time, the booking will be put on hold, pending cancellation until the balance payment or a written cancellation from the client is received. If booking is made less than 60 days before arrival, full payment is required at the time of booking. Confirmation and all details will be sent to the person in the group making the booking. If significant changes need to be made in the Booking Form after the reservation has been confirmed, an amended set of forms must be completed and signed.
